Principal Riddell of Edmonton to Visit Lomond

On Sunday, Dec. 3rd., Dr. Riddell, principal of Alberta College, Edmonton, will preach in the Farmers' Hall, Travers, at 8 p.m. and in the Lomond Church at the evening service.

Dr. Riddell is a man of extraordinary ability. Everyone should make a special effort to hear him.

Badger Lake Oyster Supper and Concert.

The Badger Lake Patriotic Committee will hold an oyster supper and concert in the First Chance School on Thursday evening, December 14th., to swell the contribution from that district in aid of the Patriotic Fund. The committee has decided to supplement the local talent by soliciting help from Lomond, Bow City and Travers. Undoubtedly this supper will be heavily patronized for the Badger Lake ladies have a reputation of being excellent cooks and it is getting along at the time of the year when a good social event is appreciated.

The First Chance school closed on Thursday, when the event was celebrated by a delightfully successful program and presentation gotten up by the young ladies of the school in honor of the teacher, Miss Davis, who is leaving for her home in Nova Scotia. After a very interesting program Miss Davis was presented with a handsome silver mounted dressing set and manicure set as a token of esteem and appreciation of Miss Davis' untiring and sympathetic service in the school. A large crowd of local people were present for this occasion as well as a number from Lomond. A dainty, but bounteous, lunch was served at the close of the program. In the evening a very successful dance was held in the school.

George Johnson is building a large barn for S. Conklin. Mr. Conklin is also having a well drilled by Mr. McColman.

Mrs. Jas. Archdekin intends spending the winter visiting friends in Ontario.

Grant and Leslie Haynes, accompanied by Roger Wilkinson, made an auto trip to Lethbridge this week. P. Thompson was also a business visitor in Lethbridge.

John Bowens, of Toronto, is spending a few days with Mr. and Mrs. S. A. Trew, looking after some business interests in this locality.

J. J. Shaw left on Monday for points in B.C., where he intends spending the winter.

Turkey Shoot on Wednesday Dec. 6th.

The turkey shoot advertised to take place on Saturday has been postponed till Wednesday, Dec. 6th.

Notice

Erroneous reports have been circulated to the effect that I had gone broke and was closing my store. I beg to inform my numerous patrons that I am still doing business at the old stand.

A. PARKER.

The two Misses Aseltine of Bow City are spending a few days with Mr. and Mrs. Harry Aseltine.

Miss Ethel Armstrong our accurate and obliging postmistress, has retired from this position and has gone home to Amethyst to assist her mother in the post office and store at that point. Miss Brown of Calgary is her successor.

Roy Walker and Harry Adams drove over from Vulcan today and delivered to Stewart Galbraith a fine new Studebaker run-about.

H. Benedict, district inspector for Merchants Casualty Co., is in town today. Mr. Benedict is also agent for a new self-starter for autos which is a revelation in this kind of device.

Robert Burns, agent of the famous McLaughlin automobile, is holding forth in Lomond this week. It is rumored that he has bought a lot south of the Farmers lumber yard and will establish a showroom and garage.

I will be shipping hogs on Friday, Dec. 8th.—A. PARKER.

To those who experience difficulty in making a selection of their Christmas gifts the show window of L. A. Ostum's hardware store will offer a pleasant solution of this problem. From it one can select many beautiful articles of hand-painted chinaware, articles which are both useful and ornamental.

J. C. Jensen motored to Nanton this week and negotiated a deal with the Armstrong Bros. whereby he becomes the owner of the S. E. 1/4 of 1-16-20. The consideration was \$2000.

Oliver Palmer and his two nephews, Elmer and Charlie Palmer, of Saskatchewan, are visiting with Mr. and Mrs. Cbas. Delaney.

Mr. Hodge, inspector of the Royal Insurance Co., was in town this week.

Orbie Baker has traded his Overland run-about to Jas. B. Marshall for a Chalmers Six. Jas. B. went to Calgary on Thursday to procure himself another Chalmers.

T. J. Armstrong, after holding a most successful auction sale on Tuesday, left with his family to spend an indefinite itinerancy in the Pacific Coast States.

Jack Marshall, of Reid Hill, had a serious smash-up with his Overland last Friday afternoon as he was driving into Lomond. Coming down the stretch past the Duffy farm at a speed somewhere about sixty miles an hour, he was unable to make the turn at the corner before crossing the railroad. The consequence was that the car plunged over the embankment and into the fence, smashing off the two left wheels and staving in the side of the body, throwing the driver and his passenger through the windshield. Jack came very near cashing in his life insurance and the car is a beautiful wreck.

Chas. Adams and Geo. Frownfelter are taking in the sights at Calgary this week.

W. B. Manning is making a canvas of the town on behalf of the local Church. We are glad to learn that he is receiving very generous support from the men of the town. The local church requires at least one thousand dollars to meet all its obligations for the present church year. This is quite a sum of money but if every man in Lomond and surrounding country helps, there will be no trouble in raising that amount.

Miss Sear, of Lethbridge, is the guest of Mrs. Geo. Couper this week.

J. A. Bowers and Bert Gorham motored to Calgary on Thursday.

"Billie" Cox has returned from Banff where he has been taking sulphur bath treatments for rheumatism. Although the malady is not totally eradicated we are pleased to report Billie's condition very much improved.

Harold Hanson, one of the pioneers of this district, visited old friends in town on Wednesday.

A number of Lomondites motored to Lethbridge last Sunday, spending a few hours in the city.

James Morris, manager of the north end livery barn, had the misfortune to come in contact with the swiftly moving hind foot of a bronco on Thursday morning. Jimmie's knee is pretty badly bruised but still compares quite favorably with Dobbin's foot.

The Municipal Nominations

The municipal nominations presided over by returning officer Tulloch in Lomond and by deputy-returning-officer Galliford in Travers passed off very quietly and with the following results:

Division 1.—Andrew Larson elected by acclamation (Geo. Wighton retiring).

Division 2.—Jas. A. Marshall, re-elected by acclamation.

Division 3.—No nomination.

Division 4.—Porter Noyes, re-elected by acclamation.

Division 5.—Contested by A. R. Hanna and Alfred Jensen.

Division 6.—Contested by Reeve Chapman and Paul Mosler.

The name of Wm. Orr was brought forward in Division 1, but he failed to qualify.

Polling will take place on Monday, next, Dec. 4th., and the results will be declared on Wednesday by returning-officer Tulloch.

Travers Ladies Honor Mrs. Taylor.

On Friday afternoon, Dec. 1st., the Ladies' Aid of Travers held a farewell at the home of Mrs. Bell in honor of Mrs. Taylor, who expects to leave for Toronto in a few days. A very enjoyable hour was spent at games after which lunch was served. The president, Mrs. W. H. Hunter, on behalf of the Aid, in a few well chosen remarks, presented Mrs. Taylor with a very handsome silver bread tray. All joined in wishing Mrs. Taylor God's choicest blessing.

Mr. Kicky, manager of the Ford Motor Co. branch at Calgary, accompanied by Mr. Fraser, the South Alberta blockman, called on W. A. Teskey, the local agent, to-day. They expressed themselves as highly pleased with the healthy condition of the agency in Lomond and took away with them orders for six carloads of Fords to be delivered to the Lomond agency in the spring.

A number of Lomond ladies attended the final meeting of the Travers Ladies Aid, which was held at the home of Mrs. Otis Buffman on Wednesday last. A pleasant social time and a dainty luncheon was provided by the genial hostess; and the ladies were all delighted with the financial statement of the year's business given by the secretary, Mrs. J. Rickett.

Chas. Reidman had the misfortune to fall off the scaffold at Norris Hanna's house and receive injuries which are apt to lay him up for some time.

Robert Moir has returned from Ontario where he was called a few weeks ago on account of his father's illness. Mr. Moir has resumed his duties as manager of the Alberta Pacific Elevator. Mr. Howard Perry, of Calgary, auditor for the Alberta Pacific Elevator Co., was in town a few days this week taking charge of the house awaiting the arrival of Mr. Moir.

Geo. Wood has given up his position in the Farmers' Co-Operative Elevator and will make his home for a time in Calgary. Mr. and Mrs. A. Webster have rented Mr. Woods new bungalow on 1st. Street South and will take up housekeeping within a few days.

Mr. Dosse, travelling superintendent of the Pioneer Lumber Co., was in town a few days this week taking inventory of the company's yard at this
